

REACH™ Program

Portfolio Overview and Resources

Updated December 2017

REACH[™]

PREMIER

Save 6 to 13 percent* on products and services you buy every day.

In today's economy, everyone faces the urgent task of protecting their bottom line. Premier REACH[™] has been an ally to businesses to reduce costs and improve operational performance since 1996. K-12 schools, colleges and universities, hotels, stadiums, golf courses and more are taking advantage of REACH's contracts and tools and experiencing success in their operations.

The Premier REACH portfolio includes products and services for:

- ⌘ Foodservice
- ⌘ Housekeeping
- ⌘ Office supplies and business equipment
- ⌘ Facilities (maintenance, repair and operations)
- ⌘ IT/telecom
- ⌘ Administrative and human resources

Additional tools and benefits

Supply Chain Advisor[®]: Web-based contract catalog, price activation, contract management and additional contracting news and resources.

Group buy and EXPRESSbuy[™]: A time-limited opportunity for members to purchase products at a reduced price.

Employee discounts: Negotiated price reductions of price for many products and services that employees can enjoy.

*Based on aggregated savings

Through Premier REACH, you'll have access to powerful tools and resources to uncover savings and improve efficiency in procurement, labor, menu development and more. Contracts are available to cover most of your supply and service needs including:

Foodservice

From chicken to juices to green and sustainable products, the agreements cover your every need through top-quality manufacturers and a full-range of offerings.

Housekeeping

Keep your building clean at a reduced cost through our broad range of contracts for products to disinfect and clean general surface areas and flooring.

Office supplies and business equipment

Includes access to savings opportunities on a wide array of office supplies, from furniture to toner cartridges, pens, paper, folders and even copiers and fax machines.

Facilities (maintenance, repair and operations)

Designed to substantially reduce costs related to the procurement of equipment, supplies and services used for facilities operations and construction, our contracts offer outstanding value. From can liners to flooring, plumbing products to HVAC equipment controls and supplies, you'll find it all.

IT/telecommunications

Access to significant savings on products like PCs, monitors, printers and copiers.

Administrative and human resources

Save on administrative services and offerings, such as car rentals, Yellow Pages advertising, background checks, satisfaction surveys and service awards.

About Premier REACH™

Premier REACH helps organizations like colleges and universities, early childhood education and K-12 schools, recreation and hospitality manage their supply chain to cut costs while improving performance. Through the program, members can take advantage of industry-leading prices offered through Premier's contracts, innovative tools, solutions and knowledge-sharing. For more information, please visit www.premierinc.com/reach.

Overview of Premier, Inc.

Premier, Inc. is a leading healthcare improvement company, uniting an alliance of approximately 3,900 U.S. hospitals and 150,000 other providers to transform healthcare. With integrated data and analytics, collaboratives, supply chain solutions, and advisory and other services, Premier enables better care and outcomes at a lower cost. Premier plays a critical role in the rapidly evolving healthcare industry, collaborating with members to co-develop long-term innovations that reinvent and improve the way care is delivered to patients nationwide.

➤ **Our mission:**

To improve the health of communities

➤ **Our vision:**

Through the collaborative power of the Premier alliance, we will lead the transformation to high-quality, cost-effective healthcare.

➤ **How do we do it?**

Through our people, our data and our ability to connect healthcare organizations across the country.

Our people are dedicated to making healthcare better. We are passionate about what we do. We show the utmost integrity in our work. We seek out innovative ideas. And we focus on respect for each other.

Our database is one of the deepest and most comprehensive in the industry, with data on approximately 40 percent of U.S. hospital discharges and approximately \$50 billion in group purchasing volume.

Our ability to connect is our trademark. It's how we share best practices. It's how we solve pressing issues. It's how and why we build new technologies. Only by working together can we overcome today's fragmented system and really drive improvement.

How to operationalize these agreements

- A Participating Member Designation Form (PMDF) or electronic price activation (PA) is required for the Premier discount.
- Otis requires that the member initializes Exhibit J Addendum to Maintenance Agreement and attaches Exhibit K Service and Maintenance Scope of Work for the sale to be recognized.

Aggregation opportunities

Aggregation is allowed for multi-facility systems, group purchasing organizations and established networks of facilities with all suppliers.

Other key value and terms

- Pricing is firm for the term of agreement with KONE.
- KONE's new agreement has flat pricing for service agreements compared to the expiring agreement.
- KONE offers new customer savings as a value-add.
- Pricing is firm for 12 months with Otis. Price adjustments will be based on the Producer Price Index and will not exceed 5 percent of the price within the previous 12 months with Otis.
- Otis's new agreement pricing offers up to 2 percent savings compared to the expiring agreement pricing.
- Otis offers new units for large IDNs, new customer upfront savings and new equipment purchase warranty and installation service extension as value-adds.
- **According to the pricing scenario, Otis is the low-cost supplier.**
- Pricing is firm for 12 months ThyssenKrupp. Price adjustments will be based on the Producer Price Index and will not exceed 4 percent of the price within the previous 12 months with ThyssenKrupp.
- ThyssenKrupp's new agreement has flat pricing for service agreements compared to the expiring agreement.
- ThyssenKrupp offers various services, such as site reviews and modernization reviews, as value-adds.
- Available direct: KONE, Otis, ThyssenKrupp

Effective March 1, 2018 through February 28, 2021

Products and services available

This category includes equipment (such as point-of-sale credit card terminals) and services for processing credit card transactions and secure online payments.

How to operationalize these agreements

- A Participating Member Designation Form (PMDF) or electronic price activation (PA) is required at Tier 2 or higher with Paymentus and Sun Communications.
- A PMDF/PA is not required with Solupay or USPAY due to single tier offerings.
- All suppliers require a signed Member Processing Agreement.

Aggregation opportunities

Aggregation is allowed for multi-facility systems, group purchasing organizations and established networks of facilities with all suppliers.

Class of trade

Agreements are available to acute care, non-acute healthcare and non-healthcare facilities.

Other key value and terms

- Pricing fees are firm for the term of the agreement with all suppliers. However, the interchange rate (which is controlled by the credit card company, not by the Premier-contracted supplier) can vary, which will impact the total rate that the member is paying per transaction.
- The pricing shown in each supplier's Exhibit A-3 Price List may vary based on the specific needs and processing volume of the member. The price presented is a guide to help show members where the pricing fees should be.
- Financial analysis reveals that every incumbent supplier's new agreement pricing is flat compared to their expiring agreement pricing.
- Based on pricing scenarios, there are multiple low-cost suppliers:
 - Paymentus is the low-cost supplier for the physician private practice scenario.
 - Solupay is the low-cost supplier for members with a current credit card processing agreement who are seeking a contract with a new credit card processing supplier scenario.
 - Sun Communications is the low-cost supplier for a large healthcare system with facilities in multiple states scenario.
 - USPAY is the low-cost supplier for the small, rural hospital and large, non-profit teaching hospital scenarios.
- Available direct: Paymentus, Solupay, Sun Communications, USPAY

CAPITAL AND CONSTRUCTION: IT'S TIME TO TAME THE CHAIN

Are you planning, designing or buying capital equipment technology?

Are you getting the best equipment at the lowest price?

Now you can.

Average identified savings for members using MEMdata services: 10-18 percent

MEMdata

Comprehensive suite of solutions for construction, renovation, and routine capital projects

- Equipment planning
- Equipment procurement
- Equipment budgeting
- Price benchmarking
- Equipment savings

Yes, we're all about having the right tool for the right job. Introducing Premier Capital and Construction: a supercharged supply chain service line focused on helping you lower costs at any or every stage of your construction, renovation project or routine capital procurement.

Capital equipment is a large-spend category that presents challenges since products are purchased infrequently, technology changes rapidly, and there is significant pricing variation. You face changing needs and fragmented services. Yet you need to make the right choices when planning and acquiring capital equipment.

To help you gain significant savings and value in both the near and long term, Premier has acquired MEMdata, a technology management firm serving existing medical facilities and those under construction.

By integrating Premier's robust portfolio with MEMdata's solutions, we'll help you lower costs, increase your efficiency, and improve your facilities to better serve your patient population. Benefits to you include:

Integrated approach to capital planning and procurement

Competitively derived price intelligence to make decisions

Lower cost for clinical and non-clinical capital equipment

Your needs matched with turnkey or customized programs and consulting support

“We replaced our previous equipment planning firms with MEMdata. **They promptly cleaned up our plans and specs and saved us over \$4 million on equipment. In design meetings they called up pictures and specs from their website in moments.** I highly recommend MEMdata.”

Jack Robinson, CFO

- St. Joseph’s Healthcare System, New Jersey

ACHIEVE SUPPLY CHAIN SAVINGS IN CAPITAL EQUIPMENT AND CONSTRUCTION

PERFORMER ELITE PROGRAM

MEMdata leverages an electronic request for proposal process and a proprietary database of more than 35,000 products and specifications to benchmark the capital equipment price quotes you receive against the best prices in the market. They then provide the final pricing working with your team, delivering significant savings.

MEMdata’s service is based on providing price transparency by comparing clinically equivalent products and maintaining a national database of pricing. Services include:

- Electronic RFP competitive bidding
- Capital equipment price intelligence
- Budgeting services and software
- Fair market valuations of used equipment
- Total cost of ownership calculator
- Maintenance reviews
- Equipment specification sheets
- Flexible pricing options including no charge unless savings are realized

EQUIPMENT PLANNING AND PROCUREMENT SERVICES

This service offers full equipment planning and procurement services for healthcare construction projects. Gain access to best practices in medical facility space planning, equipment budgeting, procurement and installation for all equipment needs. Services include:

- User group design sessions
- Capital equipment budgeting and tracking
- AutoCAD/Revit design, drafting and printing
- Unmatched procurement and pricing intelligence
- Existing inventory services; useful life determinations
- Equipment charge order protection and mitigation
- MEMplanner Pro software
- Initial outfitting and transitions
- Services for health systems, DoD, and VA

About Premier, Inc.

Premier, Inc. (NASDAQ:PINC) is a leading healthcare improvement company, uniting an alliance of more than 2,900 U.S. hospitals and nearly 100,000 other providers to transform healthcare. With integrated data and analytics, collaboratives, supply chain solutions, and advisory and other services, Premier enables better care and outcomes at a lower cost. Premier, a Malcolm Baldrige National Quality Award recipient, plays a critical role in the rapidly evolving healthcare industry, collaborating with members to co-develop long-term innovations that reinvent and improve the way care is delivered to patients nationwide. Headquartered in Charlotte, N.C., Premier is passionate about transforming American healthcare.

PREMIERINC.COM

Premier's supplier diversity initiatives recognize and track the following classifications (diverse and small business suppliers): **small business enterprises** (SBE) and **minority-** (MBE), **woman-** (WBE) and **veteran-owned** (VET) enterprises.

We are committed to building a portfolio of contracted products and services that mirrors the demographics of the communities our members serve.

In 2016, Premier members spent \$775 million on products and services from diverse suppliers.

SEEDS (Sourcing Education and Enrichment for Diverse and Small Suppliers)

The program provides contracted suppliers with experienced resources and educational tools intended to assist in gaining contract sales and building long-term relationships across the alliance.

Contract language protection for members looking to do business with diverse suppliers

The diverse suppliers' volume is considered a carve-out and members can still qualify for the best tiered pricing negotiated.

The Safer Pain Management Community on PremierConnect®

Addressing the Opioid Epidemic

Premier knows safer pain management is an important component in the overall approach to improving patient outcomes, minimizing costs associated with opioid-related adverse events and, in time, reducing today's unacceptable number of opioid-related deaths and hospitalizations. To **help lead this transformation**, Premier offers a variety of pain management solutions that provide our members with safe, pre- and post-operative alternatives to opioid prescription pain management.

To **better enable our members** to develop a comprehensive strategy to improve pain management that avoids undertreating chronic pain and overprescribing opioids, **the Safer Pain Management Community** groups Premier's applicable contracted products and services according to the overall opioid issue they address, such as:

- Opioid and patient safety
- History of substance abuse
- Inappropriate access to opioids
- Infection prevention and treatment
- Monitoring oxygen and carbon dioxide levels
- Overuse of opioids
- Pain management

Additional resources included in the community are:

- Opioid use in the emergency department report
- Safer post-operative pain management pilot

The Safer Pain Management Community on PremierConnect features additional information, including:

- The problem**
What exactly the opioid epidemic is
- Opioid medications**
How they work, why they are addictive and what their long-term effects are
- History of opioids**
Contributing factors that led to the explosion of opioid prescriptions in the U.S.
- Stopping the opioidepidemic**
What health systems and federal agencies are currently doing to combat this crisis

Additional resources

- **Core field team:** Premier field experts can assist you if you are interested in learning more about any of the offerings listed within this book. Not sure who your field representative is? Contact the Premier Solution Center at 877.777.1552 or email solutioncenter@premierinc.com.
- **Supply Chain Advisor®:** Premier's online automated contract management system including catalog, electronic price activation, news/resources and the ability to manage all contracts, including regional/local agreements, in one place.
 - **Catalog:** Electronic repository of all of Premier's contract information. It includes details on business partners, contracts, products, price tiers and updates. The catalog also includes cross-reference information for many items that are not on Premier contract in order to find functionally equivalent/alternative items that are on contract.
 - **Price activation:** Electronic Letter of Commitment (eLOC) approach is an interactive process in which members and suppliers can reach agreement on tier pricing and sign a contract online. Contracts can be activated centrally (i.e. at a network level) and individually (i.e. at a hospital level).
 - **Contract management:** Premier enables members to store their own regionally/locally negotiated agreements in its catalog. By following a simple process, hospitals can load business partner information, a contract summary and product and price data.
- **PremierConnect®**

PremierConnect surfaces actionable opportunities and information with the ability to share knowledge, resulting in a one-stop shop for members to dive into customizable and relevant content, access multiple apps and collaborate in real time. Through PremierConnect, you can: combine and integrate data across the continuum; connect your team with one another, Premier staff and the entire Premier alliance with state-of-the-art social business techniques built specifically for healthcare; and provide best practices and other knowledge to your stakeholders. **To access PremierConnect, visit:** <https://premierconnect.premierinc.com>.
- **Supply Chain News community:** The [Supply Chain News](#) community features a rolling feed with updates on contract launches, webinars, supplier promotions, group buys and industry updates. Content is organized according to Premier's service lines making service-line specific information quick and easy to find.
- **Premier Marketplace™:** Through [Premier Marketplace](#), you can take advantage of:
 - **Group Buys:** Voluntary, purchasing opportunities, typically for capital equipment. Group Buys deliver significant savings, beyond Premier's already exceptional national group purchasing agreements. Group Buys may also include value-adds such as special rates for financing, trade-in programs, training, preventative maintenance and service programs and extended warranties. Savings average 15 percent above national top tier pricing.
 - **Marketplace exclusives:** Premier's e-commerce web store, where you can browse, compare and buy more than 4,000 products with your credit card. More products are added each quarter.
 - **Bloodbuy®:** Connecting hospitals and blood centers nationwide to ensure the efficient flow of lifesaving blood products to patients in need.
- **Employee discounts:** Premier offers a variety of [discounts](#) for all members of the alliance and their employees and staff, including employee discount malls and GPO contracted discount codes.
- **Premier Solution Center:** The Premier Solution Center is a central point of contact for all Premier-related questions. Its phone lines are staffed weekdays from 7 a.m. to 7 p.m. CT.
