

## Premier categories for ambulatory surgery centers

### Administration

#### **Credit Card Services** **Expires February 28, 2018**

Equipment and services for processing credit card transactions, as well as secure online payment solutions

Awarded suppliers: Paymentus, Solupay Consulting, Sun Communications, USPAY Group

#### **Postage Meters and Mailing Systems** **Expires May 31, 2021**

Postage meters and mailing systems that are licensed by the United States Postal Service

Awarded suppliers: FP Mailing Solutions, Pitney Bowes

#### **Support Services Outsourcing – Facilities Operations** **Expires March 31, 2019**

Third party outsourcing of facilities management services including, but not limited to, housekeeping, environmental services, laundry and linen, plant operations and patient transport

Awarded suppliers: ABM Healthcare Support Services, Aramark, DSS Staffing, MEDtegrity, Rickman Enterprise Group, SDB Contracting Services, Southwest Linen Services, Xanitos

#### **Workforce Solutions – Staffing** **Expires March 31, 2018**

Staffing services for temporary, contract and/or direct placement labor within the healthcare industry

Awarded supplier: AMN Healthcare

#### **Office Supplies and Business Services** **Expires July 31, 2020**

Routine office supplies plus products and services that help run your business (e.g. paper, toner, break room and janitorial supplies, technology, furniture, print services and promotional products).

Awarded suppliers: American Office Product Distributors, Friends Business Source, Guy Brown, Materials Management Services, Office Depot, Staples

#### **Reimbursement Software** **Expires July 31, 2018**

Coding and reimbursement software systems used to support healthcare reimbursement coders to evaluate and apply coding and grouping rules to individual patient records

Awarded supplier: 3M Health Information Systems

#### **Translation and Interpretation Services** **Expires June 30, 2020**

Language translation (document translation, document typesetting) and interpretation services (in-person, via telephone, video conferencing)

Awarded suppliers: GLOBO Language Solutions, InDemand Interpreting, Language Services Associates, Propio Language Services, Transperfect

### Construction, facilities and environmental services

#### **Air Filtration Products** **Expires August 31, 2018**

Air filtration products used to assist in the heating, ventilation and air conditioning (HVAC) systems' air quality purification and control processes through the use of microfiber filtration materials

Awarded suppliers: Camfil Farr, HEPACART, Koch, Tri-Dim

#### **Can Liners** **Expires July 31, 2020**

Can liners used to store and transport various types of waste, including standard waste, infectious waste, biohazardous waste, chemotherapy waste, soiled linen, infectious linen and food service

Awarded suppliers: EcoSafe, Heritage Bag Company/Novolex, I.B.S.

#### **Appliances and Related Products** **Expires March 31, 2018**

Refrigerators, freezers, dishwashers, stove ranges, ovens, microwaves, laundry machines (washers and dryers), and water heaters and softeners

Awarded supplier: Sears Commercial

#### **Interior and Exterior Signage** **Expires February 29, 2020**

Interior and exterior signage that supports building and/or brand recognition, spatial orientation and cognitive mapping

Awarded suppliers: 2/90 Sign Systems, Mandeville Sign, MDM Commercial, South Water Signs

## Premier categories for ambulatory surgery centers

### **Furniture and Systems, Casegoods, Seating and Accessories** **Expires December 31, 2017**

Furniture, cabinetry, casegoods, seating, ergonomics, accessories, restoration and repair

Awarded suppliers: Allseating, Durfold, Haworth, Herman Miller, Hill-Rom, Krueger (KI), National Office Furniture, Steelcase, Stryker

### **Housekeeping Products** **Expires January 31, 2018**

Products which are used within all internal facility areas to disinfect and clean general surface areas and flooring

Awarded suppliers: 3M Company, Diversey, Procter & Gamble, Spartan Chemical Company, Wexford Labs

### **Ice Machines and Water Dispensing Products and Services** **Expires June 30, 2020**

Ice and water dispensing machines, stand-alone water dispenser units and under-counter healthcare grade refrigeration/freezers, and related services

Awarded supplier: Follett, Scotsman Ice Systems

### **Medical Gas Pipeline Equipment, Services and Accessories** **Expires January 31, 2019**

Capital equipment (such as alarms, compressors, gauges, manifolds, outlets and pumps) that delivers gas throughout a facility

Awarded suppliers: Allied Healthcare Products, Amico, Boehringer, Ohio Medical

### **Pest Elimination Services** **Expires February 28, 2019**

The treatment and elimination of pests: bedbugs, cockroaches, rats, ants, mice, flies, spiders, stored product insects, stinging pests and occasional/seasonal invaders

Awarded suppliers: Ecolab, Orkin, Rentokil

### **Uniforms, Mats, Microfiber and Towels** **Expires January 31, 2018**

The rental/lease or direct purchase of uniforms, mats, microfiber and/or towels

Awarded suppliers: Cintas, Superior Uniform Group, UniFirst, Vestagen

### **Hard Copy Document Shredding and Media Destruction Services** **Expires July 31, 2019**

Onsite and offsite shredding and the destruction of confidential hard copy paper and media, such as hard drives

Awarded suppliers: AMS Store and Shred, Shred-it

### **HVAC Equipment, Controls and Services** **Expires December 31, 2018**

Chillers, air handlers, condensing units, roof top units, generator sets, control systems and services necessary to provide proper air quality and ventilation

Awarded suppliers: Daikin Applied, Trane

### **Maintenance, Repair and Operations (MRO)** **Expires April 30, 2022**

Distribution of MRO products, including tools, plumbing, fasteners, door hardware and securities, electrical/telecommunication equipment, and lamps, ballasts and fixtures

Awarded suppliers: AirSupply Tools, Grainger Industrial Supply, The Part Works

### **Paper Towels, Tissues and Dispensers** **Expires September 30, 2019**

Paper towels, tissue and related dispensers

Awarded suppliers: American Textile Systems, Georgia-Pacific, Kimberly-Clark, SCA Tissue, von Drehle

### **Reusable Textiles and Textile Services** **Expires November 30, 2018**

Apparel, bedspreads, pillows, pillowcases, linens/sheets, robes, bath rugs, shower curtains, terry products, window treatments, surgical textiles, hamper bags, and incontinence products

Awarded suppliers: Above the Sill, American Dawn, Cube Care, Encompass, Hinson & Hale, Medline, Phoenix Textile, Silentia, Standard Textile, WebbShade

### **Waste Management Products and Services** **Expires May 31, 2019**

Consulting, audits, collection, hauling, incineration, landfill, waste disposal, sharps container services, recycling and biomediation

Awarded suppliers: AMS Med Waste, Clean Harbors, Curtis Bay, Daniels SharpSmart, LBMedwaste, Medi-Waste, Refuse Specialists, Rubicon, Specific Waste, Sustainability Resources International, Stericycle, TransChem

## Premier categories for ambulatory surgery centers

### Disinfection and sterilization

#### **Automated Endoscopic Reprocessors** **Expires February 28, 2018**

Automated systems used for cleaning, disinfecting or sterilizing by chemical immersion of heat sensitive complex design medical instruments, such as flexible endoscopes, camera heads or cables

Awarded suppliers: EndoSafe, Medivators, Johnson & Johnson, STERIS

#### **High Level Disinfection Reprocessing** **Expires December 31, 2018**

Reprocessing services for semi-critical and non-critical single use devices

Awarded suppliers: Renú Medical, Hygia Health Services

#### **Instrument Containers** **Expires January 31, 2019**

Instrument containers that are used for storage and sterilization of surgical instruments

Awarded suppliers: Aesculap, CareFusion, Case Medical, Medline Industries, Symmetry Surgical

#### **Low Temperature Sterilization Products** **Expires February 28, 2018**

Products sterilized by a process where gas is mixed with energy. The plasma produced consists of a reactive cloud which interacts and disrupts the life functions of microorganisms.

Awarded suppliers: Johnson & Johnson, STERIS

#### **Sterile Reprocessing** **Expires January 31, 2019**

A third party reprocessor collects single use surgical devices from a facility and then cleans, tests, sterilizes and repackages them

Awarded suppliers: Johnson & Johnson, Stryker

#### **Sterilization Pouches** **Expires September 30, 2019**

Packaging used to provide effective sterility maintenance for single or limited sized instruments or medical devices

Awarded supplier: Cardinal Health, Healthmark, Medical Action

#### **Washers and Decontaminators** **Expires February 28, 2018**

Units designed to remove blood, bone, fat and other organic debris that can adhere to instrument or device surfaces

Awarded suppliers: Belimed, Getinge, STERIS

#### **High Level Disinfectants** **Expires April 30, 2020**

Chemicals that are capable of killing bacteria, viruses and bacterial spores when used in sufficient concentration under suitable conditions and are primarily used to disinfect semi-critical items

Awarded supplier: Crosstex, Johnson & Johnson, Metrex

#### **Instrument Cleaners and Enzymatics** **Expires September 30, 2019**

Detergents, enzymatics, rinses and lubricants for manual or mechanical cleaning that are designed to decrease manual handling and scrubbing of medical devices and instruments

Awarded suppliers: Certol, Key Surgical, STERIS

#### **Intermediate Level Disinfectant Wipes** **Expires April 30, 2020**

Intermediate level disinfectant wipes used to destroy all vegetative bacteria, including tubercle bacilli, lipid and some non-lipid viruses and fungi but not bacterial spores

Awarded suppliers: Certoll, Clorox, Diversey, Metrex Research, PDI

#### **Steam Sterilizers** **Expires February 28, 2018**

Units that expose instruments to heat transferred from saturated steam for a period long enough to ensure that expected populations of even the most resistant microbes will be killed

Awarded suppliers: Belimed, Getinge, STERIS

#### **Sterilization Assurance** **Expires September 30, 2019**

Products used to indicate if conditions of sterilization have been met for reusable devices and equipment

Awarded suppliers: 3M, HealthMark, Propper Manufacturing

#### **Sterilization Wrap** **Expires August 31, 2020**

Disposable fabric used to wrap instrument sets, linen packs and basins to allow them to be sterilized and safely stored until use

Awarded supplier: Halyard

## Premier categories for ambulatory surgery centers

### Distribution

#### **Medical and Surgical Products Distribution Expires December 31, 2019**

Distribution of medical and surgical products, IV therapy items, janitorial and sanitation materials, suture, and endomechanical products and private label goods

Awarded distributors: American Medical Depot, Buffalo Hospital Supply, Cardinal Health, Concordance, Henry Schein, Kreisers, McKesson, Medical Specialties Distributors, Medline Industries Owens & Minor

#### **Paper and Janitorial Supply Distribution Expires October 31, 2020**

Distributors who provide products and services in the janitorial and sanitary supply arena; Contracted pricing from manufacturers' agreements (e.g., can liners, floor care equipment, housekeeping products, paper towels and tissue, and soaps and lotions) are extended to awarded paper and janitorial supply distributors

Awarded distributors: AFFLINK, Interline Brands (dba SupplyWorks), Network Services Company, Office Depot, Standardized Sanitation Systems (dba Triple S), Strategic Marketing Alliance (SMA), Veritiv

#### **Specialty Distribution Respiratory Therapy and Anesthesia Products Expires December 31, 2018**

This category offers members the option to purchase respiratory therapy and anesthesia products from multiple suppliers through a specialty distributor.

Awarded distributor: Tri-Anim Health Services

#### **Specialty Distribution Suture and Endomechanical Products Expires December 31, 2019**

This category offers members another option to purchase suture and endomechanical products from multiple suppliers through a specialty distributor.

Awarded distributor: Suture Express

### Imaging

#### **Mobile C-Arms Expires September 30, 2018**

Equipment and service agreements for mobile fluoroscopic units, commonly named "c-arms" due to their c-shaped articulating arm

Awarded suppliers: GE OEC, Hologic, OrthoScan, Philips, Siemens

#### **Ultrasound Expires September 30, 2018**

Ultrasound equipment, transducer disinfection systems and service agreements

Awarded suppliers: GE, Mindray, Philips, Samsung/NeuroLogica, Siemens, SonoCiné, SonoSite, SuperSonic Imagine, Toshiba

### Laboratory

#### **Blood Glucose Meters, Reagents, Consumables and Service Expires March 31, 2018**

Blood glucose monitors, lancets and test strips used in healthcare settings

Awarded suppliers: Roche

#### **Blood/Specimen Collection and Ancillary Products Expires September 30, 2018**

Devices approved by the Food and Drug Administration (FDA) for the collection and transport of blood specimens and other body fluids

Awarded suppliers: BD, Greiner, Sarstedt

#### **Urinalysis Analyzers, Reagents, Consumables and Services Expires July 31, 2019**

Products used to perform chemical tests, which identify and quantify the amount of cellular material in urine samples for diagnostic purposes

Awarded suppliers: Beckman Coulter, BTNX, Siemens

## Premier categories for ambulatory surgery centers

### Materials management

#### **Bulk Oxygen** **Expires October 31, 2017**

Medical gas offerings include bulk oxygen, carbon dioxide, hydrogen, nitrogen, nitrous oxide and other medical gases

Awarded suppliers: Air Liquide, Airgas, Linde, Praxair

#### **Cylinder Gases** **Expires October 31, 2017**

The rental, purchase and associated services for cylinder gases

Awarded suppliers: Air Liquide, Airgas, Linde, Praxair

#### **Labels, Identification Bands and Related Products** **Expires January 31, 2019**

Departmental specific labels, pharmacy labels, color coded printers, ID wristbands, adult and pediatric wristbands and software

Awarded suppliers: Medical ID Solutions, PDC Healthcare (Precision Dynamics Corporation), Zebra Technologies

#### **Surgical Instrument and Scope Repair** **Expires January 31, 2019**

Third party on- and off-site instrument and scope repair services

Awarded suppliers: 3 West Medical, Aesculap, BPI Medical, CTC Medical, Direct Surgical Equipment, EndoChoice, Fibertech, Herzog, IMS, Instrument Doctors, Instrument Specialist, Medical Optics, Mobile Instrument, National Advanced Endo Devices, Northfield Instruments, Prezio, Revive, Surgical Instrument Service, SurgiSource, Total Scope, US Medical

### Nursing and patient care

#### **Adhesive Skin Closures** **Expires January 31, 2019**

Adhesive tape-like strips for use in supporting the closure of a skin wound/laceration, and tincture of benzoin, which is often applied to skin before applying tape or other adhesive bandages

Awarded supplier: 3M Company

#### **Bandages, Dressings and Gauze** **Expires September 30, 2019**

Adhesive bandages, ABD pads, cotton balls, prep sponges, elastic bandages, gauze pads, rolls, sponges and covers, non-adherent dressings, and alcohol prep pads

Awarded suppliers: Covidien, Medi-Tech International, Tetra

#### **Blood Pressure Cuffs and Accessories** **Expires February 28, 2018**

Sphygmomanometer (blood pressure) devices, cuffs and replacement accessories

Awarded suppliers: GE, Welch Allyn

#### **Chlorhexidine Gluconate (CHG) Skin Prep Products** **Expires July 31, 2020**

A minimum 2 percent chlorhexidine gluconate (CHG) and 70 percent isopropyl alcohol (ISA) chemical antiseptic products and solutions

Awarded suppliers: BD/CareFusion, PDI-Professional Disposables

#### **Cohesive Bandages** **Expires January 31, 2020**

Self-adherent elastic wrap that functions like tape which sticks to itself and not to the patient's skin

Awarded suppliers: 3M Company, Andover Healthcare, S2S Global

#### **Disposable Non-Sterile Protective Apparel** **Expires November 30, 2018**

Non-sterile disposable gowns, scrub suits, coveralls, aprons, lab coats and jackets, head gear and caps, and shoe covers.

Awarded suppliers: Cardinal Health, Encompass, Halyard, ICP Medical, Medline, S2S Global, Tronex, Welmed

## Premier categories for ambulatory surgery centers

### **ECG Electrodes, Cables, Lead Wires and Defibrillator Pads** **Expires September 30, 2020**

Non-capital electrocardiology sensors and accessories used in cardiology-related physiological tracings meant to detect and relay information to ECG monitors (capital equipment).

Awarded suppliers: Advantage Medical/ LifeSync, Covidien

### **Electronic Thermometry** **Expires May 31, 2020**

Patient thermometers for clinical use that measure temperatures within a minimum range of 95° to 106°F (35° to 41°C) as well as units that provide specialized probes for continuous monitoring

Awarded suppliers: Covidien, Welch Allyn

### **Exam Gloves** **Expires April 30, 2019**

Examination gloves which are routinely used to provide barrier protection from exposure to blood or bodily fluids

Awarded suppliers: Cardinal Health, Halyard, Innovative Healthcare Corporation (IHC), Medgluv, Medline, S2S Global

### **General Urological Products** **Expires February 29, 2019**

Foley catheters, Foley catheter trays, antimicrobial catheters, urine meters, drainage bags, urethral trays, irrigation trays and midstream catch kits for pediatric and adult patients

Awarded suppliers: Bard Medical Division, Hollister

### **Hot and Cold Packs** **Expires November 30, 2019**

Items for heating and cooling related to treatment/reduction of pain, comfort and swelling due to minor procedures or the maintenance of warmth

Awarded suppliers: Cardinal Health, DeNovo Products, Hospital Marketing Services, Solution Matrix

### **Infusion Devices and Device Dedicated Sets** **Expires January 31, 2020**

Large volume infusion therapy pumps, IV therapy pain management pumps (specific to narcotics, antibiotics or chemotherapy), IV syringe pumps, tubing and sets, IV ambulatory pumps, tubing and sets, and medication management software including adverse drug event tracking and management systems

Awarded suppliers: Baxter Healthcare, B. Braun Medical, CareFusion, Smiths Medical ASD

### **Infusion Sets and Accessories** **Expires January 31, 2020**

IV gravity tubing, sets, extension sets without needleless connectors, stopcocks, manifolds and IV tubing accessories

Awarded suppliers: Baxter Healthcare, B. Braun Medical, CareFusion, ICU Medical

### **IV Fluids, Bag-Based Drug Delivery and TPN Macronutrients** **Expires January 31, 2020**

IV fluids (both small and large volume parenterals), bag-based drug delivery systems, and total parenteral nutrition (TPN) macronutrients (amino acids, dextrose and intravenous fat emulsions)

Awarded suppliers: Baxter Healthcare, B. Braun Medical, Drip Drop, H2ORS

### **IV Site Management and Accessories** **Expires December 31, 2019**

Kits and products used in the maintenance of intravenous (IV) insertion sites including IV start kits, central line dressing kits and IV catheter securement devices

Awarded suppliers: LSL Industries, Medical Action Industries

### **Mobility Aids** **Expires January 31, 2018**

Devices designed to assist with personal mobility including canes, crutches, knee walkers, motorized scooters, walkers and wheelchairs

Awarded suppliers: Alco, Drive Medical, Medline, S2S Global

### **Needleless Connectors** **Expires January 31, 2020**

Devices designed to allow connection of multiple intravenous (IV) sets and catheter hubs without the use of needles

Awarded suppliers: Baxter Healthcare, B. Braun Medical, ICU Medical, Nexus Medical

### **Orthopedic Soft Goods** **Expires November 30, 2018**

Soft and extrication cervical collars; knee braces and supports; back braces and supports; shoulder braces and elbow, wrist, thumb, hand and forearm supports; ankle braces and supports; upper extremity splints; soft and custom braces; and, cold therapy units

Awarded suppliers: Breg, DJO, Ossur, S2S Global (DeRoyal), Tetra

## Premier categories for ambulatory surgery centers

### **Patient Bedside Products** **Expires June 30, 2020**

Products for patient bedside and personal use including plastic, disposable, stainless steel and biodegradable products

Awarded suppliers: Cleanis, MAC Medical Supply (Vernacare), Medegen Medical, Medline Industries

### **Patient Cleansing and Skin Care (Bag-based)** **Expires May 31, 2019**

Disposable wipes in a bag, "bath in a bag" used at the patient bedside, and pre-packaged chlorhexidine gluconate (CHG) wipes

Awarded suppliers: Innovative Healthcare Corporation (IHC), Sage

### **Pulse Oximetry Devices** **Expires February 28, 2018**

Capital equipment, disposables, sensors and connecting cables that are used in the measurement, management and recording of patient oxygenation levels via an electronic sensor placed on the patient's fingertip, earlobe or across the foot (for neonates)

Awarded suppliers: Covidien, Masimo, Smiths Medical

### **Respiratory Therapy Products** **Expires October 31, 2018**

Peak flow meters, incentive spirometers, MDI holding chambers (spacers), nebulizers, suction catheters, mucous traps, non-vented masks, CPAP and Bi-level masks, humidification products and resuscitation bags

Awarded suppliers: Ambu, CareFusion, Monaghan, Teleflex, Thayer

### **Safety Hypodermic Products** **Expires September 30, 2019**

Syringes and needles used to draw up liquids and to deliver medications to patients by intradermal, subcutaneous, intramuscular or intravenous injection

Awarded suppliers: Becton, Dickinson and Company (BD), Covidien, Retractable Technologies (RTI), Smiths Medical ASD

### **Safety IV Catheters** **Expires September 30, 2019**

Intravenous (IV) start catheters with a safety device to prevent accidental needlesticks

Awarded suppliers: B. Braun, Becton, Dickinson and Company (BD), Retractable Technologies (RTI), Smiths Medical, Terumo

### **Sedation Monitoring** **Expires July 31, 2018**

Monitors and sensors that measure the effects of anesthesia and sedation by monitoring both sides of the brain's electrical activity

Awarded suppliers: Covidien, Masimo

### **Sharps Disposal Containers** **Expires April 30, 2020**

Canisters designed for the safe containment of sharps medical waste and related accessories such as wall mountings/brackets

Awarded suppliers: Becton, Dickinson and Company (BD), Covidien

### **Soaps, Lotions and Waterless Hand Rinses** **Expires September 30, 2020**

Alcohol rubs, hand rinses, foams, sprays and lotions

Awarded suppliers: DebMed, Ecolab, GOJO

### **Standard Hypodermic Products** **Expires September 30, 2019**

Syringes (oral and enteral) and needles

Awarded suppliers: Becton, Dickinson and Company (BD), Covidien, Medefil, Retractable Technologies (RTI)

### **Suction Canisters, Yankauers and Tubing** **Expires October 31, 2018**

Suction canisters, Yankauers and tubing used to collect medical waste

Awarded suppliers: Cardinal Health, Northfield, RMS Medical

### **Tape Products** **Expires January 31, 2019**

Strips of a variety of strong woven fabric or other materials used to bind or hold bandages in place

Awarded suppliers: 3M Company

## Premier categories for ambulatory surgery centers

### **Transparent Dressings** **Expires January 31, 2019**

Dressings that are used predominantly to cover catheter sites and secure devices to the skin while allowing visibility of the site

Awarded suppliers: 3M Company

### **Vascular Compression Therapy** **Expires November 30, 2018**

Capital pumps and the associated foot, calf and thigh sleeves

Awarded suppliers: ArjoHuntleigh, Compression Solutions, Compression Therapy Concepts (CTC), Covidien

## **Surgical**

### **Anesthesia Equipment, Accessories and Supplies** **Expires June 30, 2019**

Anesthesia machines and accessories designed to dispense a mixture of gases and vapors used to control a patient's level of consciousness during surgical procedures

Awarded suppliers: Draeger, GE, Mindray

### **Arthroscopy Fluid Waste Management** **Expires February 28, 2022**

Suction devices, accessories and absorbent floor pads used to remove fluid from the operating room floor during a surgical procedure

Awarded suppliers: Aspen Surgical Products, Conmed LDI

### **Arthroscopy Supplies** **Expires April 30, 2019**

Arthroscopes, instrumentation, powered equipment, implants and disposable supplies used during an arthroscopic procedure

Awarded suppliers: ConMed, Smith & Nephew, Stryker

### **Biological Mesh Products** **Expires September 30, 2019**

Biomaterial from either cadavers or animals used for hernia repair, abdominal wall reconstruction, breast reconstruction and in the presence of contaminated or potentially contaminated surgical fields

Awarded suppliers: ACell, Covidien, Davol, Johnson & Johnson, LifeCell, MTF, Novadaq

### **Bone, Tissue and Synthetic Implantable Products** **Expires June 30, 2018**

Biologic and synthetic products used to fill bone voids, induce bone fusion and stimulate bone growth.

Awarded suppliers: Bacterin, Bioventus, Cerapedics, Integra, ISTO, LifeNet, MC Squared Medical, MTF, Stryker, Tissue Regenix

### **Breast Implants, Tissue Expanders and Related Products** **Expires January 31, 2019**

Breast implants, silicone and saline, tissue expanders and sizers

Awarded supplier: Allergan

### **Casting and Splinting Products** **Expires October 31, 2019**

Casting and splinting products are the plaster, synthetic and fiberglass materials used to form splints or casts to immobilize or stabilize orthopedic problems so that healing can occur

Awarded suppliers: BSN Medical, Parker Medical Associates

### **Custom Procedure Trays** **Expires December 31, 2019**

Specifically designed procedural packs that combine the disposable items needed for surgical procedures

Awarded suppliers: American Contract Systems, Cardinal Health, DeRoyal, CPTMed, DeRoyal, Medical Action Industries

## Premier categories for ambulatory surgery centers

### **Disposable Anesthesia Products** **Expires July 31, 2020**

Disposable anesthesia products, such as anesthesia face masks, filters, breathing circuits/bags, gas sampling lines and oral airways, used to administer general anesthesia to surgical patients

Awarded suppliers: Ambu, Medline, Pall, Smiths Medical, Vital Signs

### **Endotracheal Tubes and Related Products** **Expires December 31, 2018**

Tubes, designed to deliver oxygen or anesthesia to the patient, that are inserted through the nose or mouth and into the trachea to maintain an unobstructed passageway into the lungs

Awarded suppliers: Covidien, Marpac, Sourcecmark, Surgimed

### **ENT Nasal Products** **Expires October 31, 2019**

Nasal products used for rhinology procedures

Awarded suppliers: Olympus, Stryker

### **General Orthopedic Trauma Products** **Expires October 31, 2019**

Trauma implants and instruments used for the surgical treatment of fractures and deformities of the long bones, the shoulder, the hand, the foot and the pelvis

Awarded suppliers: Cardinal Health, Howmedica (Stryker), Orthofix, Zimmer

### **Incise Drapes** **Expires September 30, 2019**

Incise drapes that provide a sterile operative surface to the wound edge and protect the surgical incision from skin flora

Awarded suppliers: 3M Company

### **Lap Sponges, OR Towels and Specialty Sponges** **Expires May 31, 2020**

Lap sponges, sterile and non-sterile OR towels and specialty sponges

Awarded suppliers: Allcare, AMD-Ritmed, Cardinal Health, Medline, S2S Global

### **Laparoscopic Suction Irrigation Products** **Expires April 30, 2019**

Products used during laparoscopic procedures that provide suction to remove fluid from the surgical field, cauterize tissue and irrigate the surgical field when needed

Awarded suppliers: ConMed, Stryker, Tech Medical Services

### **Endomechanical Products** **Expires March 31, 2018**

Devices used to assist in open and closed surgical procedures and products to close wounds

Awarded suppliers: 3M Company, Applied Medical Resources, Cardica, Conmed, Covidien, DeRoyal, Ethicon, Genicon, Microline Surgical, Surgical Innovations, Teleflex

### **ENT Implants and Instruments** **Expires October 31, 2019**

Products used in head and neck surgeries, otology and rhinology

Awarded suppliers: Grace Medical, Olympus

### **Gastrointestinal Endoscopy Products** **Expires January 31, 2019**

Disposable products used to treat diseases that affect the gastrointestinal/pulmonary tracts

Awarded suppliers: Boston Scientific, EndoChoice, Flexicare, Halyard, Olympus

### **Implantable Infusion Ports** **Expires October 31, 2019**

Implanted devices used to provide access in the delivery of medications into the bloodstream of patients who need long term therapy, such as antibiotic and chemotherapy

Awarded suppliers: Angiodynamics, Arrow (Teleflex), Bard Peripheral Vascular, Medical Components, Smiths Medical

### **Knotless Tissue Closure Devices** **Expires March 31, 2018**

Knotless tissue closure products that allow wound closure through bidirectional or unidirectional fixation

Awarded suppliers: Covidien, Ethicon, Surgical Specialties

### **Laparoscopic Adjustable Gastric Band Products** **Expires May 31, 2018**

Products that are used to induce weight loss by limiting food consumption

Awarded suppliers: Apollo Endosurgery, Johnson & Johnson

### **Laparoscopic Surgical Instruments** **Expires January 31, 2019**

Laparoscopic instruments are used by a surgeon and nurse to facilitate an endoscopic surgical procedure

Awarded suppliers: Aesculap, CareFusion, Integra, KARL STORZ, National Advanced Endoscopy Devices, Novo Surgical, Symmetry

## Premier categories for ambulatory surgery centers

### **Laryngeal Mask Airways** **Expires July 31, 2020**

A laryngeal mask airway is an alternative airway device used for anesthesia and airway support and consisting of an inflatable mask and connecting tube

Awarded suppliers: Ambu, Cookgas, Flexicare, Intersurgical, Teleflex

### **Liquid Medical Waste Management Systems** **Expires October 31, 2020**

Canister and cart-based systems with products including disposable canisters, smoke evacuators, docking stations, reusable collectors, wall mounted units, and disinfectant and enzymatic cleaners

Awarded suppliers: Stryker, Zimmer

### **Medical Lasers and Accessories** **Expires April 30, 2018**

Medical lasers that seal blood vessels to reduce blood loss, seal lymph vessels to reduce swelling and decrease the spread of tumor cells

Awarded suppliers: Lumenis, MaxiFlex

### **OR Accessory Products** **Expires July 31, 2018**

Products used every day in the operating room, including items for patient positioning, instrument protection, safety products and niche accessories.

Awarded suppliers: Covidien, Mectra Labs, Viscot Medical

### **OR Equipment Drapes** **Expires March 31, 2019**

Sterile, disposable, plastic drapes used to cover equipment needed during a surgical procedure

Awarded suppliers: Advance Medical Designs, Ecolab, Premier Guard

### **OR Safety Products** **Expires July 31, 2018**

Products used in the operating room (OR) to protect staff and patients from potential injury

Awarded suppliers: Ansell Sandel Medical Solutions, DeRoyal

### **Orthopedic Small Joint Implants** **Expires May 31, 2020**

Small joint implants designed to replace function and mobility of the wrist, fingers, ankle, foot and toes

Awarded suppliers: Integra Lifesciences, Trilliant Surgical

### **Laryngoscope Systems** **Expires July 31, 2020**

Rigid laryngoscopes systems used to visually examine the interior of the larynx or facilitate the insertion of an endotracheal tube during general anesthesia or cardiopulmonary resuscitation.

Awarded suppliers: Flexicare, IntuBrite, SunMed, S2S Global, Teleflex

### **Maxillofacial Plating Systems and Supplies** **Expires October 31, 2019**

Maxillofacial products are used for the fixation of orthognathic or midface fractures and for the stabilization of osteotomies and bone grafts required in reconstructive surgery of the face

Awarded suppliers: KLS Martin, Stryker

### **Ophthalmology Products** **Expires June 30, 2020**

Products used for surgeries of the eye, such as intraocular lenses (IOLs), phacoemulsification units, glaucoma implants, disposables, reusable ophthalmic surgical instruments, sutures and viscoelastics

Awarded suppliers: Ambler Surgical, Bausch & Lomb Surgical, Beaver Visitec International, Surgical Specialties Corporation

### **OR Basins** **Expires July 31, 2018**

Operating room (OR) basins are disposable sterile basins used to contain fluids, surgical instruments and sponges needed for surgical procedures

Awarded supplier: Medline

### **OR Patient Positioning Products** **Expires July 31, 2018**

Pre-formed foam or gel-filled positioner products that aid in patient positioning and prevention of pressure injuries during a surgical procedure

Awarded suppliers: Covidien, David Scott Co.

### **Orthopedic Power Tools and Accessories** **Expires April 30, 2019**

Saws, drills, blades, bits, and burs and consoles used to assist a surgeon during orthopedic procedures

Awarded suppliers: Brasseler, ConMed, Stryker, Zimmer

### **Pain Management – Local Anesthetic** **Expires May 31, 2020**

Portable delivery systems placed at the surgical site to administer local anesthetic to decrease post-operative pain, allowing for earlier rehabilitation and reduced need for narcotics

Awarded suppliers: Ambu, Halyard, Teleflex Medical

## Premier categories for ambulatory surgery centers

### **Patient Prep Clippers and Blades** **Expires January 31, 2019**
