

HPS MEDICAL WASTE PROGRAM ANNOUNCEMENT

We would like to notify all those participating in the HPS-MCF Medical Waste Disposal Program that, as of September 10, 2019, MCF has become a wholly owned subsidiary of Daniels Health.

Regardless of the change in ownership, MCF will continue to operate as an independent brand and its relationship with HPS and our Members will remain unchanged – including:

- Pricing and Account Payment Arrangements
- MCF Personnel and Contact Numbers
- Services and Pick-up Schedules

If you have any questions, please contact your local HPS consultant or our corporate office at (770) 953-3026. Thank you for allowing HPS to be your preferred GPO.
