Re: Single GPO Designation for BD

Dear BD:

Please be advised that effective as of _____ (“Effective Date”), _____ (name of Healthcare Organization)(“Customer”), on behalf of itself and all facilities and/or affiliates set forth on the attached Exhibit 1, hereby designates _____ (“Designated GPO”), as its group purchasing organization for the purchases of products from Becton, Dickinson and Company (“BD”) and its subsidiaries and affiliates (“Vendor”) pursuant to the terms of the existing GPO purchasing agreements between Designated GPO and Vendor for purposes of and with regard to those purchases of Vendor product that it makes pursuant to a GPO purchasing agreement. Customer hereby acknowledges and agrees that (a) it is aware of Vendor’s single GPO designation policy and therefore will only be connected to the contract portfolio of its Designated GPO for Vendor’s entire product portfolio for Vendor product that it purchases pursuant to a GPO purchasing agreement; and (b) facilities on Exhibit 1 may be added or deleted only upon the mutual written agreement of Customer and Vendor, and may impact tier qualifications on a go-forward basis.

As of the Effective Date the designation in this letter supersedes and replaces any other group purchasing organization designation for Customer. Vendor will rely on this designation unless it is revoked in writing by Customer and submitted to Vendor at email address set forth below.
